JANE WILBRAHAM

Clemens Poellinger, Best art right now - SvD's gallery round, SvD KULTUR, 20 October 2019

Jane Wilbraham, Vanity Project, Photo by Carl-Henrik Tillberg

On a magnificent dining room table stands an installation of cut branches with carved details, a knotted fist, a rope. Around them a circle of lipstick sleeves from which little demons stand up, even the finely carved wood. The exhibition is displayed in former gallery owner Eva Livijn-Olin's home on Karlaplan, open by arrangement.
